

**CITY OF CONCORD
CLASS SPECIFICATION**

**CLASS TITLE: APPRAISER
DEPARTMENT: ASSESSING
REPORTS TO: DEPUTY ASSESSOR**

**JOB CODE: 8015
DATE: 08/12**

JOB SUMMARY:

Performs residential appraisals on new and existing properties including, but not limited to, single-family homes, vacant lots, condominiums, and manufactured housing. Inspection and appraisal of small commercial properties; assists the general public with explanations of the assessment process, exemptions, credits, tax billing process and use of the tax maps.

ESSENTIAL JOB FUNCTIONS:

Discovers, measures, inventories, and appraises all residential properties, such as single-family homes, manufactured housing, and condominiums, using established appraisal methods, principles, and techniques.

Reviews planning approvals, zoning board approvals, subdivision plans, condominium plans and documents, various permits including but not limited to building, demolition, electrical, plumbing, and wetlands, and inspects property to determine the impact to the value of property.

Performs field inspections utilizing existing property records to determine the accuracy of the data and update when incorrect.

Inspects, reviews, and verifies residential assessing data on properties that have sold; and validate or invalidate property sales.

Reviews and inspects residential appeals; prepares recommendations for the Board of Assessors, generally with the development of appraisal grids

Discover, measure, and inventory small commercial and industrial properties using established appraisal methods, principles, and techniques.

Capitalize income to determine value using the income approach.

Analyze physical, functional, and economic depreciation.

Prepare appraisals and testify at the Board of Tax and Land Appeals or the Superior Court on abatement appeals.

Answers inquiries of the general public about the assessment process, appeals, abatements, individual assessments, exemptions, credits, and tax billing.

Performs other related duties as assigned.
