CONCORD Energy and Environment Committee

Wednesday, November 13, 2017

7:00 PM

City Hall

Minutes

In Attendance: Rob Werner, Jennifer Galbraith, Deb Russ, Zach Jonas, Charles Willing, Dave Brown, Joe Kwasnik, Ally Samuell, Evan Mullholland

- Rob calls the meeting to order
- Discussion of Concord 100% renewable campaign:

Rob mentions that the kickoff event was successful.

The committee discusses the need to pass a resolution in the next 6-8 months. The structure of this resolution is discussed.

Rob lays out the city council process, which will likely involve a presentation to the city council a month or two before the actual vote on the resolution.

Chuck suggests writing a “white paper” report outlining some of the potential details of our proposal that can be presented to the council. Rich, Joe and Evan will all help Chuck to write this report.

The committee agrees to do “listening sessions” after the passage of the resolution to build community support.

Rob has been in contact with media outlets - we want to do everything we can to engage the Monitor. We want to get the reporter on energy engaged and the editorial board.

There will be no meeting in December.

Adjournment at 9 PM
