Minutes

In Attendance: Rob Werner, Deb Russ, Zach Jonas, Charles Willing, Joe Kwasnik, Evan Mullholland, Rich Maher, Ally Samuel

- Rob calls the meeting to order
- Discussion of Concord 100% renewable campaign:

Rob: our presentation to the City Council was very successful and well received. The Council will be actually voting on the resolution at the May 14th meeting.

Zach: We need to build turnout and support for the vote. We need to meet with City Councilors individually to determine their position on the resolution and gauge or respond to their concerns.

All folks will split up the Councilors for contact. Folks will also reach out to community groups, friends and family to build awareness about the vote on May 14th.

Chuck: There are two opportunities to build public support and awareness. There is a rally for Earth Day at the state house, and we will attend and table there. There is also a Kent St Coalition meeting on April 12th, and we should present our project to them as well.

Adjournment at 9 PM
