☐ Chuck calls the meeting to order

#### 1. Discussion of Concord 100% renewable resolution status:

Chuck discussed the Conservation Commission's letter and the status of the discussions with the Chamber of Commerce. Some edits to the Resolution were discussed. The CEEC is waiting to hear if the Chamber will support the latest draft.

Upcoming events:

- June 13, 7:00 Conservation Commission meeting. CEEC and the Resolution is on the agenda.
- Week of June 25 – FPAC meeting
- July 9 – City Council meeting and expected vote on the Resolution.

Discussion ensued regarding the strategic plan contemplated by the Resolution.

Committee discussed community members to engage regarding the Resolution, including state representatives.

#### 2. Solar Ordinance

Chuck stated that the goal is to present a draft to city committees by fall. A subcommittee will be formed to work on the ordinance. Discussion ensued regarding model solar ordinances and the need to plan for solar that will work with farmland.

#### 3. Membership

Committee discussed the possibility of filling vacancies on the committee. Considering the work to do this year, the committee discussed enlarging the committee. Joe suggested that the Committee set up a more formal governance structure.

Meeting adjourned at 8:40 pm
